THE OFFICIAL NEWSLETTER OF THE ALABAMA
STATE BOARD OF CHIROPRACTIC EXAMINERS

Presidential Message

Dear colleagues and clinic owners:

I hope this letter finds you all doing well during these difficult times.

The Board has had two meetings since the onset of the pandemic in March, one meeting remotely (Zoom) and recently a normal meeting at the Board office in Clanton. We have discussed at length the issue of continuing education and face to face versus remote learning. We looked at extending the deadline beyond the September renewal date as well as lifting the late fees. We do not have the authority without a legislative change or Governor’s approval to waive late fees. We spoke with the Governor’s Office regarding a proclamation to allow extension or late fee waiving but the feeling was that we still have plenty of time to get the renewal completed prior to the deadline.

We continue to monitor the current state of approved renewal CE classes offered and presently there are 21 classes in the newsletter with a couple of additional classes that are pending. You are currently allowed 6 hours online plus 2 hours of law online requiring only 10 hours face to face. I partici-

REMINDER

You may check the continuing education hours the Board has on file for you by visiting our website www.chiro.alabama.gov. You will click on “[Online Services](#)” then “[Check Continuing Education Hours On File](#)”, then follow the online instructions. If **AFTER** checking you have submitted hours not reflected please call us at 800-949-5838 or email a copy of the attendance certificate to ashley.stewart@chiro.alabama.gov.

Please remember the renewal process is much easier if you submit all documentation to the Board early.

The online Renewal Application will open August 15th.

Disciplinary Action

Jodi K. Green, DC (Decatur, AL) License # 2592- Board order finding violation of Code of Alabama 1975 § 34-24-166(b)(3) (11)(12)(13) and assessing an administrative fine in the amount of \$20,000. Suspension of license for 60 months with reversion to probation after 6 months of active suspension.

Presidential Message Continued:

pated in a Zoom meeting with the FCLB regarding online learning and the manner in which the classes can be monitored. The proposed method is that the attendee be required to engage their keyboard continually during the class to make sure they are not logging into the class and leaving the computer. The FCLB is currently working on the guidelines for this remote learning but nothing absolute has been decided regarding the best way to handle this process.

The Board will continue to monitor the status of face to face seminars and if anything changes we will address those concerns as needed. The code allows for consideration for hardship for personal physical illness or disability, military service or other circumstances beyond the licensees control. If you have a hardship you may petition the board for consideration.

Sincerely,
Brian Wells, DC
President ASBCE

Thank you for your positive comment:

"Thanks to you, Sheila for so promptly handling my card re-print! You are great and underpaid and under appreciated!"

Continuing Education for 2020-21 Renewal

Please note: Several seminar vendors have requested to convert already approved seminars to online webinar/home study without having to reapply. The Board has approved this request however these seminars would still be considered online continuing education.

For renewal **you are still limited to 6** online hours plus your Alabama law (2 or 4).

You may take these courses for the content but will only be able to use 6 of these online hours toward your continuing education requirement for the 2020-21 Renewal.
